# Dr. Denyse H. Turner

## Founder, CEO & Visionary | Triumphant Grace Enterprises™

Certified Trauma & Inner Healing Strategist | Speaker | Author | Survivor

### About Dr. Denyse

With over 40 years of ministry, leadership, and community service, Dr. Denyse H. Turner combines professional expertise with her lived experience as a trauma survivor. Her mission is to help individuals and communities rise from pain to purpose. She brings a trauma-informed perspective that speaks to both the head and the heart, making complex issues relatable and deeply human.

### Why Dr. Denyse?

- Certified Trauma & Inner Healing Strategist (Elijah House Ministries)
- Experienced speaker, media guest, and workshop leader
- Author of multiple books on trauma, healing, and resilience
- Trusted voice in faith-based and community leadership spaces
- Delivers practical, accessible tools that empower audiences

### Sample Trauma-Informed Topics

- Politics & Policy Through a Trauma Lens: How legislation and public policy decisions impact mental health, families, and communities.
- The Hidden Cost of Headlines: Understanding the psychological toll of constant crises, conflict, and breaking news.
- Leadership Under Pressure: How leaders can avoid burnout, make wise decisions, and model resilience in challenging times.
- Race, Identity & Resilience: Addressing generational trauma behind racial inequities and how healing intersects with justice.
- The Trauma of Violence: Exploring the ripple effects of gun violence, domestic abuse, and community unrest on society.
- Faith, Healing & Public Life: Where spirituality meets trauma recovery in navigating life after loss, betrayal, or transition.
- Recovering After Collective Trauma: Tools for resilience in the wake of pandemics, disasters, or national tragedies.
- The Personal is Political: How private pain fuels public movements and why lived experiences matter in shaping policy.
